- Drilling £10 per stake Weighting POA
- Delays if access cannot be gained to the site as agreed POA
- Excess distance between vehicles and set up site POA
-

Written Quotations

Written quotations are available upon request, for an initial quotation please email us using our contact form. Please supply the following additional information:

- Number of guests to be seated and or standing.
- Any set up or take down restrictions.
- The carry distance between where vehicles can be parked to erection site, as well as any other information you feel is useful i.e. narrow passageways, fencing or unsafe ground etc.
- Is the site level?
- Is it grass or hard standing?
- If the marquee is to be erected against the side of a building which side of the marquee do you want this to be?
- Are there any shrubs, bushes or trees that could obstruct the marquees erection.
-

Please be aware, quotations do not constitute a booking. A booking will only be confirmed once a signed booking form has been returned with the deposit payment of 25%

Making a booking

We work on a first come first serve basis so whether it is following a written quotation or knowing what you want from our price list above, please book as soon as possible to avoid disappointment.

A booking form will then be emailed to you to sign and return with a 25% non-refundable deposit payment. Only when this is returned will we confirm stock availability. Please feel free to contact us at any time if you wish to bounce layout ideas off us. Or if you are looking for last minute ideas, such as entertainment, catering, and children's activities or anything in between.

Set up day

It is important that a contact who knows about the job is available on site when we get there. This is to make sure we get it right first time. If a contact is not available our team will start the build in the most appropriate looking area. Once a build has been started we will not dismantle if a contact turns up at a later time. If however we are unsure as to where to start the build, any delays will be charged in full hourly rates per job crew member.

Collection day

We will generally arrive on the morning of the collection day agreed on the booking form. The marquee therefore has to be cleared of any items of value, decorations or rubbish not belonging to Chelsea Marquees the night before the collection date.

A contact doesn't have to be on site providing the same unrestricted access is available as the set up day.
